

Signatories THE EMF CALL Non-Governmental Organizations

By November 26, 2018

Australia

Electrosensitive Australia; Lynne Mc Donald

EMR Policy Institute; Katie Singer

EMR Surveys Pty Ltd; WJ Lincoln, Director

Belgium

Ondes Brussels, Charles Six

Canada

C4ST (Canadians For Safe Technology); Frank Clegg CEO, Oakville.

Coalition to Stop Smart Meters; Sharon Noble

CORE, Coalition to Reduce Electropollution; Hans Karow

Electromagnetic Pollution Illnesses Canada Foundation (EPIC); Barbara Payne, President

Health by Desing; Dianne Beaulieu

Parents for Safe Schools; Janis Hoffmann

Quebec's Coalition Against Electromagnetic Pollution (Coalition québécoise de lutte contre la pollution électromagnétique - CQLPE); Jean Hudon

WEEP; Martin Weatherall, Co-Director

Denmark

EHS Forening; Pernille Schriver

Rådet for helbredssikker-telekommunikation, Thomas Graversen

Finland

Elöverkänsliga Finland (Electrosensitives Finland); Erja Tamminen, Chairman

France

Association Ly'Ondes; Monique Ghirardi

Association Poem26 (Prevention ondes electromagnetiques, Drome); presidente Catherine Neyrand

Collectif Anti-Linky Digne-les-Bains; Joël Delannoy

Collectif Santé sans onde; Catherine Neyrand

Collectif Vigilance Franklin; Virginie Collignon

Conseil National des Associations Familiales laïques (CNAFAL); Jean Marie Bonnemayre
Président

E3M - Entraide aux Malades de Myofasciite à Macrophages; Didier Lambert, Président

Le Lien; Madeleine Madoré

Ondes Citoyennes, Guy Cautenet, Président

Phonegate Alert; Marc Arazi, Président

POEM 26 ; Catherine Neyrand, Présidente

PRIARTEM/Electrosensibles de France; Sophie Pelletier, Présidente

Réseau Environnement Santé; André CICOLELLA, président

Sciences Citoyennes, Aude Lapprand

WECF FRANCE; Véronique Moreira, présidente

Germany

BUND Hamburg, Working Group on Electrosmog; Ellen Kruse

Bürgerwelle e.V. Protection of people and the environment; Siegfried Zwerenz, Chairman

Diagnose-Funk e.V.; Peter Hensinger M.A.

Kompetenzinitiative e.V.; Peter Ludwig, Executive Director

Verein für Elektrosensible und Mobilfunkgeschädigte e.V. (German Association for the ElectroHyperSensitive); Thomas Kleber, President,

Greece

Patra's Citizen Committee for EMF Protection;

Ireland

Electromagnetic Sense Ireland; Ethna Monks

Israel

Israel EHS NGO; Amir Borenstein

Italy

Associazione accademica malattie ambientali in onore del Prof Genovesi; Claudia Bottaccio, Presidente

L'Associazione "ElettrosmogVolturino"; Antonio Gagliardi presidente

Associazione Italiana Elettrosensibili; Dr. Paolo Orio President

Associazione Malattie da Intossicazione Cronica e Ambientale (A.M.I.C.A.); Lucietta Chiafalà

Associazione Obiettivo Sensibile, Rovereto (Trento)

Centro Tutela Consumatori Utenti; Walther Andreaus, Director

Comitato Lecce Via Cavo; Fabia Del Giudice, President

Comitato Marche MCS di volontariato per la Sensibilità Chimica Multipla; Luigi Sarno, President

Comitato per la difesa dell'ambiente e del paesaggio di Monteciapellano; Loris Secchiaroli, President

CORDICOM FVG, Luciano Zorzenone

NEAC (no elettrosmog a Capurso); Mario Boezio

Rete Noelettrosmogitalia, Giorgio Cinciripini

Netherlands

StopUMTS; Leendert Vriens PhD

Norway

Folkets Strålevern; Sissel Halmoj, President

Organization of electro-sensitive persons (FELO); Solveig Glomsrød, Senior Researcher

Portugal

MOPPE, Movimento para a Prevenção da Poluição Electromagnética; Paulo Vale, President

Serbia

BIOGEN, Milan Rogulja, President

Spain

Ecologistas en Acción; Pedro Belmonte

Asociación Leonesa Contra la Contaminación Electromagnética, Vicente García

AVAATE (The Vallisoletana Association of Affected by Telecommunications antennas); Angel C. Bayón Gozalo, President

Electro y Químico Sensibles por el Derecho a la Salud (EQSDS); Minerva Palomar, President

PECCEM, Plataforma Estatal Contra la Contaminación Electromagnética; Francisco Rubén García González

Sweden

Elöverkänsligas Riksförbund (Association for the Electrohypersensitive); Marianne Ketti, chairman

Föreningen Vågbrytaren, (Association Wavebreaker); Gabriella Ahlgren, chairman

Swedish Radiation Protection Foundation; Mona Nilsson, chairman

Switzerland

Association Romande Alerte aux ondes électromagnétiques (ARA); Dr. Daniel Favre, President

Dachverband Elektrosmog Schweiz und Liechtenstein; Markus Lauener, Präsident

Gigahertz.ch, Hans-U. Jakob, President

Independent Research on Radiation Effect in Traffic; Hansueli Stettler, President

IG Mobilfunk mit Vernunft Elgg; Theo Wirth

Luzerner IG für weniger Elektromog; Claudia Zumtaugwald, President

UK

IGNIR, the international Guidelines on Non-ionising Radiation; Dr Andrew Tresidder

Stop Smart Meters! (UK); Mike Mitcham

PHIRE (Physicians' Health Initiative for Radiation and Environment); Dr Erica Mallery-Blythe

Electrosensitivity UK; Michael Bevington

Radiation Research Trust; Brian Stein

SSITA (Safe Schools Information Technology Alliance), Diana Hanson

USA

Cellular Phone Task Force, Arthur Firstenberg, President

Center for Safer Wireless; Desiree Jaworski – Executive Director

Consumers for Safe Cell Phones; Cynthia Franklin, President

Ecological Options Network, EON; Mary Beth Brangan

Electromagnetic Health; Camilla Rees

Electromagnetic Safety Alliance; Elisabeth Kelly, Director

Environmental Health Trust; Theodora Scarato MSW, Executive Director

Friends of Merrymeeting Bay; Ed Friedman

California Brain Tumor Association; Ellen Marks

FACTS, Families Advocating for Chemical & Toxics Safety; Lendri Purcell, Co-Founder

GUARDS, Global Union Against Radiation Deployment from Space; Catherine Kleiber

Last Tree Laws; Kirstin Beatty

Manhattan Neighbors for Safer Telecommunications; Camilla Rees

Maryland Smart Meter Awareness; Kate Kheel Director

NYSUMA - New York Safe Utility Meter Association; Michele Hertz, President

National Association For Children and Safe Technology; Diane Hickey, Co-founder

NH Coalition Against Smart Meters; Joan Wirth

SafeTechKidsNC; Mary Anne Tierney

The Peoples Initiative Foundation; Liz Barris

We are the evidence; Dafna Tachover, Director

International

IEMFA, International EMF Alliance; Sissel Halmoj Chair
